säiren	seta	sedzi	<i>say</i>				
sedzen	seta	sedzi	<i>say</i>				
siden	söd	södän	<i>sit</i>				

NB: Verbs formed by prefixing these irregular verbs with bi-, jol-, vor-, yi-, etc. are not shown in this list. All such prefixed verbs follow the same pattern as the root verb concerned.
Where two alternative forms are given, the first is generally more formal, though either is acceptable.
